POLICY ON AWARDING OF DEGREES AND  
CERTIFICATES IN MEMORIAM**

**PURPOSE**

The policy outlines the requirements and guidelines, including various delegations of responsibilities, applicable to the conferral and revocation of degrees, honorary degrees, posthumous degrees and memorial certificates. This policy is applicable to all University campuses.

**CONFERRAL AND REVOCATION OF DEGREES**

In accordance with the requirements of Tennessee law and the University's Bylaws, the President and Chancellors of the University, with the advice and consent of a majority of the Board of Trustees, are authorized to confer any bachelor's, master's, or doctoral degree approved by the Board upon certification by the appropriate university offices that a student has satisfied all degree requirements and all obligations to the University.

Diplomas shall be issued in the name of The University of Tennessee and shall adhere to the guidelines attached hereto as [BT0005 - Policy on Awarding of Degrees and Certificates in Memoriam \(Appendix A\)](#) ("Diploma Guidelines").

**HONORARY DEGREES**

An honorary degree is the highest form of recognition offered by the University. The Board of Trustees authorizes the awarding of honorary degrees to recognize individuals who have benefited the institution or society through outstanding achievements or leadership.

***Maximum Awards, Eligibility Criteria, and Other Considerations***

The following criteria shall guide the campuses in considering and nominating candidates for honorary degrees.

Honorary degree titles must not duplicate the title of any existing for-credit academic degree. The honorary degree title shall be included in the materials provided to the Board.
- D. All degrees, honorary and for-credit, are awarded by the Board, based on recommendations by the faculty of a specific campus. As such, it is possible for an individual to be nominated for and receive more than one honorary degree from the University. Any additional honorary degree shall, in most instances, be from a campus other than the first honorary degree. No recipient shall receive more than one honorary degree with the same specific title.
- E. All honorary degrees awarded shall be in the name of The University of Tennessee and shall adhere to the Diploma Guidelines.
- F. The University expects honorary degree recipients to participate fully in commencement exercises; however, exceptions may be made for extenuating circumstances.

***Nomination Process***

Each campus shall develop specific procedures for considering and nominating honorary degree recipients, which procedures shall be approved by the Chancellor. Notwithstanding the foregoing, the campus procedures shall be consistent with the following provisions:

- A. The nominating committee shall include members of the faculty, as selected by the faculty governing body of the respective campus, and the chief academic officer of the campus, who shall serve ex-officio as chair of the nominating committee and may vote in the event of a tie. The nominating committee may also include other members of the campus community.
