

TITLE: IPS Security Plan Procedures

NUMBER: INF130

EFFECTIVE: 14 MAR 2014

REVIEWED: 26 MAR 2015

PURPOSE: To provide a mechanism for the creation and maintenance of a security plan developed for the UT Institute for Public Service as required by UT policy IT0121 – Information Security Plan Creation, Implementation, and Maintenance.

PROCEDURES:

1. The institute information technology resources will develop a plan for information technology security at the institute.
2. The plan will be presented to IPS Leadership for approval.
3. On an annual basis, by September 30 of each year, the plan will be updated and revised to meet the needs of the institute as well as the university.
4. The updated plan will be presented on an annual basis to institute leadership for approval.
