

Cost Transfer Explanation Form

OMB Circular A-21 states that, "Any costs allocable to a particular sponsored agreement under the standards provided in this Circular may not be shifted to other sponsored agreements in order to meet deficiencies caused by overruns or other fund considerations, to avoid restrictions imposed by law or by terms of the sponsored agreement, or for other reasons of convenience." Other federal regulations require cost transfers to be made in a timely manner. Timely is defined as taking place within 90 days of the original occurrence of the cost (NIH).
