

WordPress Search

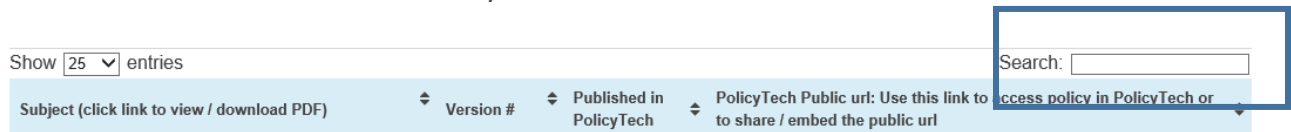

PDF's of system-wide policies have been posted for the convenience of our readers. The documents are presented in tables, grouped by policy type. The PDFs are exact reproductions of the UT policies published through the University's official policy site.

To access the WordPress tables, go to the link below and select policy type:

Table Search

Each table has a search box that lets you search documents within that table.

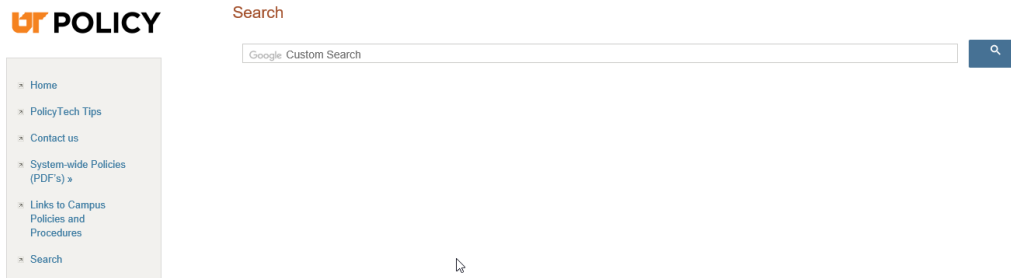

Custom Search

We have also set up a custom search that allows you to search across all PDF's / policy types:

<https://policy.tennessee.edu/search/>

- Enter search word(s):

- Search results are presented:
